*Tetraphobia:*

*a ritual for a now*

for 1-3 performers, ~ 15 minutes, at midday  
in a very comfortable location

Five, three, two, one. Remember a sound from your childhood. Was it soft? Was it rhythmic? Did it make you feel safe? Did it come from a person? Or an object? Was it rough, like the edge of a comb? How did you feel about what was to come? Was it gentle, like fresh turned soil? Remember who was with you. Maybe your grandmother? Did they have gray and wispy hair? Did they give you wonderful hugs? Were they wearing green? Were you wearing a blue shirt? Remember the smell associated with this sound. Time is sensational. Was it a hot summer day, fresh cut hay? Remember the flavor, sweet like a cookie? To reverse dis-membering. Transitive, which means containing a direct object, or in transition. Calibrate to a vibration in time. Bring it forward towards now. Carefully thread it. Hearing through time. Five, three, two, one. Now using anything or anyone, attempt to perform that sound for an audience. Tell them the sound. If you like, perform your sound for me. [+1 845-445-7587]. Sound the past. Five, three, two, one.
